

The IMF, OECD, UN and World Bank invite you to:

Enhancing the Effectiveness of Support to Tax: *The Platform for Collaboration on Tax*

7.30-8.30am Thursday December 1
Room: Peacock - KICC Nairobi

*A side event of the Global Partnership for Effective Development
Co-operation 2nd High Level Meeting*

This event will introduce the recently established Platform for Collaboration on Tax, its mandate to improve support to countries revenue raising efforts, and its recent report to the G20 *Enhancing the Effectiveness of External Support in Building Tax Capacity in Developing Countries*.

It will focus on the work of the International Organisations in the Platform and the main findings from their report. The key factors identified by the Platform to enable effective development cooperation on tax will be outlined. Improving cooperation to support Domestic Resource Mobilisation is a key part of the Addis Ababa Action Agenda and this event seeks to encourage further debate between different stakeholders on how to realise the ambition of Addis.

Speakers:

- Grace Perez-Navarro – Deputy Director Centre for Tax Policy and Administration - OECD
- Moses Kaubi – Senior Operations Officer Business Taxation - World Bank Group
- Armando Morales – Resident Representative in Kenya - IMF
